Guidelines for adaptation/modification *Bright Futures Tool and Resource Kit, Second Edition.*

- Standard copyright language from each form (sample below) must be retained in full.
- If adaptations are made, a line stating adaptations have been made must be included (Adapted from [Suggested citation: Shaw JS, Hagan JF Jr, Shepard MT, Curry ES, Swanson JT, Janies KM, eds. *Bright Futures Tool and Resource Kit.* 2nd ed. Itasca, IL: American Academy of Pediatrics; 2019]).
- Materials that were not included must be clearly indicated as added material that did not appear in *Bright Futures Tool and Resource Kit,* 2nd Edition, and will be distinguished from the rest of the material by a distinct design element.
- AAP name, logo, and tagline (sample below) must be retained.
- Bright Futures logo and heading of handouts/materials must be retained.

**Standard copyright language from each form must be retained (sample below):**

The information contained in this handout should not be used as a substitute for the medical care and advice of your pediatrician. There may be variations in treatment that your pediatrician may recommend based on individual facts and circumstances. Original handout included as part of the Bright Futures Tool and Resource Kit, 2nd Edition.

Inclusion in this handout does not imply an endorsement by the American Academy of Pediatrics (AAP). The AAP is not responsible for the content of the resources mentioned in this handout. Web site addresses are as current as possible but may change at any time.

The American Academy of Pediatrics (AAP) does not review or endorse any modifications made to this handout and in no event shall the AAP be liable for any such changes.
